

We are delighted to share that the iSource India team was invited by **Blue Ocean Corporation, UAE** to attend the prestigious **International Procurement and Supply Chain Conference (IPSC) 2024**, held on **June 1st, 2024**, at the iconic **Taj Lands End hotel** in Mumbai. With **former Indian cricketer Sourav Ganguly** as the chief guest, this event was truly a remarkable gathering of global thought leaders from logistics, procurement, and supply chain sectors.

IPSC 2024 brought together an impressive array of CEOs, global heads, and investors, all focused on driving progress and innovation across diverse industries through supply chain transformation. The conference underscored **India's growing role** in economic innovation, emphasizing the need for robust supply chain management practices to secure the country's position as a global leader.

As **Blue Ocean's signature event**, IPSC has consistently received widespread appreciation since its inception in 2014. It remains a key platform for fostering meaningful change within the procurement and supply chain landscape, powered by strategic partnerships and financial backing. The **IPSC Mumbai** conference continues to play a pivotal role in shaping the future of supply chain excellence in India.

We are honored to have been a part of this transformative event and look forward to contributing further to the supply chain ecosystem.
