

# iSource India's Active Participation in Procurement and Sourcing Exhibitions Across India

We are proud to announce our continued association with and participation in various renowned exhibitions related to procurement and sourcing across India. These events serve as crucial platforms for us to network, learn, and showcase our expertise in the industry.

Some of the key exhibitions we have been a part of include:

- **MAHATech**, where we consistently extend our support to meet industry objectives and help enhance marketing tools for businesses.
- **Boiler India**, a specialized event focusing on the advancements in the boiler industry.
- **Roof India**, showcasing innovations in roofing technology.
- **International Engineering Sourcing Show 2024 (IESS)**, a premier event promoting India's role as a smart manufacturing hub.
- **IMTEX (Indian Machine Tool Exhibition)**, a global platform for the metal-cutting and forming industries.
- **India Manufacturing Show**, a large-scale event for manufacturing industries.
- **Plastivision India**, dedicated to plastics and polymer industries.
- **Automation Expo**, focusing on cutting-edge automation technology.
- **ENGIMACH**, a premier event for engineering, machinery, and tools.

Through our participation in these events, iSource India remains committed to staying updated on the latest trends, technologies, and best practices in procurement, sourcing, and manufacturing. These platforms allow us to build strong connections, learn from industry leaders, and offer tailored solutions to our clients.
