

iSource India Participates in MVPIM International Connect: A Valuable Learning Experience

The **MVPIM International Connect** session on "5 Key Steps to Establish Your International Business" was an enriching experience that truly added value to our knowledge. **Led by Adv. Jayprakashji B Somani**, the event covered critical aspects like the **Scope in International Business (IB)**, key steps to establishing IB, the importance of **Documentation in IB**, effective **International Finance** strategies, and the role of **Global Marketing**. These insights are invaluable for businesses looking to expand globally.

The **iSource India team** was not only proud to participate but also to associate in organizing this esteemed event. Events like these provide us with the opportunity to stay updated on global trends and enhance our expertise in procurement and sourcing. We look forward to more such learning experiences that contribute to our continuous growth.
